**American Cancer Society Honors
Karen Haughey**

Karen Haughey, R.N., O.C.N., BCSG Board of Directors, received the 2011 Lane Adams Quality of Life award by the American Cancer Society. Karen is a clinical nurse at Us Oncology in Owings Mills, Maryland. Karen is known to spend hours on the telephone with a cancer patient or caregiver who is struggling. She encourages her patients and their families to celebrate life and to surround themselves with others who have battled cancer for support. Outside of her work, Haughey volunteers for the American Cancer Society Relay For Life of Westminster, an overnight celebration of cancer survivorship and fundraiser for patient services and programs and cancer research.

“Karen truly provides the ‘warm hand of service’ honored by the Lane Adams Quality of Life Award. She ensures that cancer patients and their loved ones have the emotional and physical support they need to fight cancer and become survivors,” said Jen Burdette, community manager for the American Cancer Society.

The Baltimore Cancer Support Group is very proud of Karen’s accomplishments and would like to thank her for all her hard work and dedication to this program and the cause.
